How do you do?

Dear Ladies and gentlemen of membership  
Internet Web site-FACE BOOK

I am a korean poet and artist seok hyeon kim Literature doctor.  
I am introducing the way of creative writing poems in the Internet Web site face book, I think that many students and gentlemen want to learn korean language and Letter-Han Gool. So I think who want to be a poet and want to study korean language and Letter-Han Gool, My thesis of creating poems should be the bridge for them.

Dear Ladies and gentlemen of membership  
Internet Web site-FACE BOOK

Would you check my home page of face book address below?  
Then most of you could understand my message.  
When I study English, first step, I watch the TV, CNN so often, Even if I can not understand the information, The understanding of news is not matter for me, My custom of hearing and seeing TV CNN help my advance, day by day. Now a days I watch CNN from time to time.  
I hope and believe that My open lecture material should make bridge for all of you.

Poetry have a power, Which could purify human beings mind.  
Let' s go together, Creating the paradise and myth in the world

My Two homepage addresses of face book and  
another my web site address are like this.
